Houseplants

Tropical foliage, succulents, air plants, hanging baskets and floor plants from Schlegel Greenhouse. Every item marked In stock was available in the ordering portal on November 17, 2026.

Items marked Top seller were among the 40 best-selling houseplants from January through May 2026, the strongest stretch of the houseplant year. Those not in stock today are on the list because they are worth planning for.

The book is organized by pot size, from 2-inch pots to floor plants. Current availability and pricing are always in the online ordering portal.

Reading a card

☀ ⛅ ☁	Full sun, part sun or part shade, shade.	**Height**	Garden height, in inches.
Role	In a mixed planter: thriller (upright center), filler (mounding middle) or spiller (trailing edge).	**Baskets · Planters**	We also grow it into Hoosier Boy hanging baskets or combination planters this season.
NEW	New to the Schlegel Greenhouse program this year.	★	A verified award from a public trial or AAS. The card names the top one; ★ marks every color with an award of its own.
Pot	Pot size is the section the card sits in.

DID YOU KNOW?

In 1829 London surgeon Nathaniel Bagshaw Ward discovered that plants sealed in a glass case could live for long periods without watering. His Wardian case made it far easier to move living plants by sea.
